Press Release Subscriber Service

LOUISIANA

Each list is kept current daily.

PLEASE NOTE: When you subscribe to the Press Release Service, we will create your media distribution list. A media distribution list consists of the daily and weekly newspapers, radio and TV stations, and specialty magazines located within the counties* you have subscribed to. Although we do everything possible to protect the exclusivity of your area, overlap of media coverage from another county into your area or from your area into another county is unavoidable. We recommend you subscribe to adjacent counties that may have media outlets with coverage in the areas you are considering to make sure this doesn't happen, and to ensure you reach your entire market.

If your area is not available, you may request to be placed on the **waiting list**. Although we have a high renewal rate, cancellations do happen. This typically occurs when a subscriber does not give their press-release campaign sufficient time to show results. To be placed on the waiting list, please email us with your information and the county or counties you are interested in. We will notify you as soon as they become available. Email to: waitinglist@NRMEC.org

* NRMEC uses the Census Bureau's legal division for states by county or its statistically equivalent entity for defining an area that may be subscribed to with its Press Release Subscriber Service. A number of geographic entities are not legally designated as a county, but are recognized as equivalent to a county. These include the boroughs, city and boroughs, municipality, and census areas in Alaska; parishes in Louisiana; and cities that are independent of any county in Maryland, Missouri,

Nevada, and Virginia.

** When the status is “available” it means that you may subscribe to that county. When the status is “not available” it indicates that the county has already been subscribed to and is not available.

If your area is not available, you may request to be placed on the **waiting list**. Although we have a high renewal rate, cancellations do happen. This typically occurs when a subscriber does not give their press-release campaign sufficient time to show results. To be placed on the waiting list, please email us with your information and the county or counties you are interested in. We will notify you as soon as they become available.
